Subject: America's Cup
David,
I have been informed that we were approached to be the main sponsor with Merit Cup Clothing for an Italian challenge. Our counter-proposal was to be only the official supplier of clothing. This may be unacceptable as it could restrict the team's ability to attract a main sponsor.
If you need further information, you should contact Graham Bogle or Francesco Guidetti; I am not really involved as it is not a real diversification issue.
Regards,
Bill
